News and Notes...

Mrs. Jochem will be visiting us on Tuesday, February 2 with Keegan Michael! She will be here around 3 p.m. in Mrs. Rockwell's Room.

Capital Project Update: Workers will continue with "finish work" in the new library, computer lab, and technology classroom. The interiors of these new rooms are nearing substantial completion: walls have been painted, ceilings and light fixtures have been installed, and electrical and data outlets are being installed. Outdoors, masons will continue to install the brick veneer on the exterior of the new addition and contractors will install a new set of double-doors in the new side entrance. We are still on target to occupy these new spaces at the end of February.

Looking Ahead...

February 15	Presidents' Day: No School/Offices Closed
February 16-19	Winter Recess
February 22	Board of Education Meeting, Library, 7 p.m. (Monday)
